

TIME TO COMPLETION OF PH.D. ACROSS ACADEMIC YEARS (2001-02 TO 2007-08)

The two tables indicate mean and median time to completion of Ph.D. Since these data do not reflect recent changes in completion rates, a figure below the tables has been added. These data reflect annual calculations of the percent of students in the program in their first seven years and the percent in the program for more than seven years.

TOTAL NUMBER OF STUDENTS WHO GRADUATED WITHIN THE PAST 7 YEARS (2001-02 TO 2007-08)	Number of years to graduation for those who entered with BA		Number of years to graduation for those who entered with MA		Number of years to graduation for ALL (BA and MA)	
	mean	median	mean	median	mean	median
42	9.2	8.5	7.9	9.0	8.8	8.8

TIME TO GRADUATION	NUMBER OF STUDENTS (%)
≤ 5 YEARS	4 (9.5%)
6 YEARS	6 (14.3%)
7 YEARS	5 (11.9%)
